

John W. Tippin, M. D. Opens Offices Here

The fast growing community of Torrance has added a new doctor to its business and professional people. He is Dr. John W. Tippin, M.D., who has recently moved into the modern office at 1617 Cravens avenue.

A general practitioner, Dr. Tippin has access to the very latest of modern equipment at his new office.

Dr. Tippin received his medical degree from the University of Southern California. For the past several years he has been in the employ of the United States Public Health Service.

The Tippin family, which includes Frances, his wife, and two sons, Robbie, 2 years of age, and John Richard, 19 years of age, plan to live here in the near future.

John Richard, now in Washington, will probably soon come to live with his parents in Torrance, informed Mrs. Tippin.

Local Youngsters To Get Tips From Major Leaguers

C. J. Ryan, manager of Alter Realty & Insurance office at 1425 W. Carson St., has arranged for George Vico, first baseman of Detroit Tigers, and Billy Sullivan, an old time baseball player, to be on hand at 10:30 a.m. Sat., Dec. 2nd, to give the kids a few tips on baseball.

The place is on the south side of Carson St. between Halldale and Normandie. A few of the local residents under the leadership of Don Wolf, a local building contractor, have transformed some vacant lots into a temporary playground in order to keep the children off the streets.
